

Issue: The field label "My strengths, resources and abilities for this area are:" is missing on the Need profile screen on mental health treatment plans.

The screenshot shows the 'Idaho-WITS Training' interface. The top navigation bar includes the WITS logo, the user name 'User: Willingham, Robert, WA', the location 'Location: IDHW, DBH, Region 4, Boise', and a 'Logout' button. Below the navigation bar, there is a header for the current client: 'Client: Testing, 17.13.1 AMH | 108221850000304 | 1' with a 'Clear Client' button. The main content area is titled 'Client Need Profile for' and contains several form fields: 'Need # 1', 'Need Date 2/1/2015', 'Program Name Boise/Clinic - High : 2/1/2015 -', and 'Functional Area Psychiatric'. Below these fields is a text input area labeled 'My needs in this area are:' with a yellow background. A red box highlights a missing field label, and a red arrow points to a text box containing the missing label: 'Field Label "My strengths, resources and abilities for this area are:" is missing.' At the bottom right of the form, there are 'Cancel', 'Save', and 'Finish' buttons. Below the form is a 'Goal List' table with columns for 'Actions', '#', 'Client Goals', and 'Status'. The table is currently empty.
