Announcements

ATR 4:

Rosie Andueza

- A lot of work is ongoing to prepare for the target populations of homeless, child protection, and veterans. DHW is doing outreach with agencies that work with homeless. Information will be sent when ready. Piloting programs by end of December and live in January 2015.
- **BPA work** – Sharon Burke is working with interested providers in developing a specialty network for PWWC services. An assessment has been distributed to those interested providers. Completed assessments will be reviewed and providers will be selected to join the specialty network by mid-December.
- The budget is looking healthy for this year.
- IBADCC working closely with recovery coaches certification requirements. Additional details will be covered in future meetings.

WITS Help Desk Updates :

Denise Williams

- A process flow for each of the partner agencies should be posted next week on the WITS website.
- New private pay, user guidance and announcements training schedules will be uploaded next week in accordance to schedule.

Reminder: There is still confusion and issues in regard to duration based services and unit determination with providers. Hours are not equivalent to units, and it is possible to be out of units, but have a remaining balance on the authorization.
